Table: 14

Please now give us your views on the following issues. We will show you two statements – please tell us which of these statements is closer to your beliefs. 1 means you agree completely with the statement on the left; 7 means you agree completely with the statement on the right; and if your views fall somewhere in between, you can choose any number in between.

	I feel , not ; Religion is In my lifeti I am comp I would rat Rich peopl Society sh Social unrest will become much more common in in the future### Social unrest will become much less common in in the future

UK Earth4all Global Survey
 Public / Version 11
Q11. To what extent, if at all, do you agree or disagree with the following statements? - All countries are equally represented in today's international (for example, the United Nations, the World Bank)

Table: 27

	Total	Country																									Age							Age2	Gender		Employment Status		Education				Education: Household Income			Children in Household		Household finances			Exposure to climate ri		Interest in politics	

| | | |

UK Earth4all Global Survey
 Public / Version 11

Q12. Some ways that citizens could be more involved in international organisations are listed below. To what extent, if at all, do you support or oppose these proposals? - Global citizens' assemblies. (A global citizens' assembly is a group of citizens who are randomly and fairly selected from all countries to learn, deliberate and make recommendations on one or more global issues.)

Table: 30
