Q1. Please indicate whether you strongly agree, somewhat agree, somewhat disagree or strongly disagree with the following.

Now that Queen Elizabeth's reign has ended, Australia should end its formal ties to the British monarchy

Queen Elizabeth did a good job in her role as monarch

I'm confident that King Charles III will do a good job in his role as monarch

The King and the Royal Family should not have any formal role in Australian society, the royals are simply celebrities and nothing more

Prime Minister Anthony Albanese should hold a referendum on the future of the monarchy in Australia

The constitutional monarchy helps to define Australian identity and should continue to be our form of government

King Charles III and Queen Camilla will help keep the monarchy relevant to Australians

The Prince and Princess of Wales, William and Catherine, will help keep the monarchy relevant to Australians

The monarchy has too much of a role in Australian affairs

The Monarchy is too linked to the history of colonialism and slavery to have a place in today's Australian society

Australia is not truly an independent nation if it continues to support the monarchy

The monarchy provides Australians with stability during precarious times

Q2. How favourable are you towards the following people:

King Charles III

Camilla, Queen Consort

William, Prince of Wales

Catherine, Princess of Wales

Harry, Duke of Sussex

Meghan, Duchess of Sussex

Very favourable

Somewhat favourable

Somewhat unfavourable

Very unfavourable

Don't know enough about them either way
