Table 1
Q3. To what extent, if either, do you support or oppose the following policies from the Liberal Democrats' manifesto? Summary Table

Base: All Adults aged 18-75 in Great Britain

	Rejoin the European Single Market which allows for the free movement of goods, services, capital and people within the European Union	Replacing the 'First Past the Post' electoral system with one that ensures parties win seats in proportion to the number of votes they receive	Changing the age at which people can vote in UK General Elections from 18 to 16	Removing the requirement to produce photographic ID in order to be able to vote in UK General Elections	Implementing a one-off tax on the profits of oil and gas producers and traders (i.e. a windfall tax)	Introducing free personal care to people who qualify as needing help with daily tasks (e.g. upkeeping personal hygiene)	Recruiting 8,000 more GPs to give everyone a right to see a GP within seven days (or within 24 hours if urgent)	Building 380,000 new homes a year across the UK, including 150,000 social homes a year	Ending the Rwanda Scheme where anyone who illegally crosses the Channel is removed from the UK and sent to Rwanda to apply for asylum there instead	Allowing foreign care workers to bring their dependents with them to the UK	Cutting greenhouse gas emissions to net zero by 2045 at the latest, rather than the current government target of 2050	Increasing spending on health and social care in England by more than £9bn by 2028	Guaranteeing all patients can start treatment for cancer within 62 days from urgent referral	Ending the twochild benefits limit which currently means families can receive payment for their first two children, but no more for any additional children

Q7. To what extent, if either, do you support or oppose the following policies from the Conservative party manifesto? Summary Table

Base: All Adults aged 18-75 in Great Britain

	Reducing the amount of National Insurance paid by employees by 1 percent by April 2025, and 2 percent by 2026 and abolish the main rate for the self-employed.	Introducing a binding, legal cap on migration which will fall every year of the next Parliament and cannot be breached	Implementing the Rwanda Scheme where anyone who illegally crosses the Channel cannot seek asylum in the UK but is instead sent to Rwanda to apply for asylum	Reaching net zero by 2050 while committing to no new green levies or taxes	Increasing the UK's defence spending to 2.5% of GDP by 2030	Permanently ending the stamp duty tax for first-time property buyers up to the value of £425,000	Reducing the welfare budget by £12 billion a year by reducing the number receiving benefits and introducing new sanctions if they are being misused	Raising the tax-free allowance for pensioners in line with any rises to the State Pension to ensure income tax will not become payable on it	Introducing mandatory national service where 18-year-olds are required to choose between either community volunteering or military training	Recruiting 8,000 additional police officers over the next three years	Building 100 new GP surgeries in England to increase the number of appointments available	Increasing NHS spending above the level of inflation every year	Funding 100,000 apprenticeships by reducing the number of university courses available to students	Investing £36 billion in local roads, rail and buses, funded by cancelling the second phase of HS2	Building 1.6 million homes in England	Strengthening police powers to prevent protests or marches that pose a risk of serious disorder
