 Q3. Please now give us your views on the following issues. We will show you two statements – please tell us which of these statements is closer to your beliefs. - Summary

Table: 14  
 Please now give us your views on the following issues. We will show you two statements – please tell us which of these statements is closer to your beliefs. 1 means you agree completely with the statement on the left; 7 means you agree completely with the statement on the right; and if your views fall somewhere in between, you can choose any number in between.  
 I feel, not Religion is in my life/I am comp I would rat Rich peopl Society sh/Social unrest will become much more common in in the future##/Social unrest will become much less common in in the future

UK Earth4all Global Survey - Public / Version 11

Q16. With this in mind, to what extent if at all would you support or oppose the following proposals as means of funding major changes to our economy and lifestyles? - People and companies that pollute the environment for example by causing greenhouse gas emissions should pay higher taxes, with the money raised shared out among people and companies who pollute less.

Table: 67

Table with 40 columns (Country A-X) and 10 rows (Unweighted, All response, Strongly support, Tend to support, Neither support, Tend to oppose, Strongly oppose, Don't know, Total, NET: Top 2, NET: Bottom). Includes a detailed grid overlap formula at the bottom.

UK Earth4all Global Survey - Public / Version 11

Q16. With this in mind, to what extent if at all would you support or oppose the following proposals as means of funding major changes to our economy and lifestyles? - Summary

Table: 68

With this in mind, to what extent if at all would you support or oppose the following proposals as means of funding major changes to our economy and lifestyles? People and Wealthy people Large business Wealthy people pay a higher tax on their wealth

Table with 40 columns (Country A-X) and 10 rows (Unweighted, All response, Strongly support, Tend to support, Neither support, Tend to oppose, Strongly oppose, Don't know, Total, NET: Top 2, NET: Bottom). Includes a detailed grid overlap formula at the bottom.

UK Earth4all Global Survey - Public / Version 11

Q17. And to what extent if at all would you support or oppose the following proposals as means to improve all people's wellbeing and quality of life and respond to global challenges? - All people in receiving a minimum regular income each month from the government (sometimes called a Universal Basic Income), regardless of employment status.

Table: 69

Table with 40 columns (Country A-X) and 10 rows (Unweighted, All response, Strongly support, Tend to support, Neither support, Tend to oppose, Strongly oppose, Don't know, Total, NET: Top 2, NET: Bottom). Includes a detailed grid overlap formula at the bottom.
